Please

Ludo

Sun falls slowly
On our lonely
Goodbye bedroom
You're my onlyMy last night home is
First night nervous
Take me over
Remember all this
'Til thenPlease save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stayIt's gone cold now
We'll sleep somehow
I'll be gone by first light
Last chance hold tight
Until thenPlease save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stayI lie awake and memorize your face
As you sleep next to me
The falling moon is calling me
As I leaveSun rise slowly
The road looms lonely
But I will not failPlease save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stayPlease save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stay
My heart will stay
