

# Run For Cover

## Quiet Riot

Watch out!  
You better get yourself runnin'  
I got a hurricane comin'  
No warnin' surprise  
I'm gonna take my leave  
I wanna plant my seed  
Don't let it shock you  
Hold tight, hold tight  
You better run for cover  
I'm a hit 'n run lover  
Run for cover tonight  
Get ready!  
So you think it's easy  
Wanna be this sleazy  
Well, I'll tell you it's nice  
Ha ha  
We're gonna make a name  
Ain't gonna play no games  
You'd better take the first flight tonight  
You better run for cover  
I'm the hit 'n run lover  
Run for cover tonight

Find some shelter and hide  
No survivors tonight  
Hold tight, tonight  
Yeah, watch out!  
You better get yourself runnin'  
I got a hurricane comin'  
No warnin' surprise  
I'm gonna take my leave  
I wanna plant my seed  
Don't let it shock you  
Hold tight, hold tight  
Run for cover  
I'm the hit 'n run lover  
You better run for cover tonight  
Yeah  
Run for cover

I'm the hit 'n run lover  
Run for cover tonight  
Look out! Watch out  
Get out! Hold out!  
Run for cover tonight  
Run for cover! Woo!
