# From Us To You

## Jeff Dunham

WALTER: There's a kind of magic to the season,
That only comes around this time of year.
A yearning in the heart,
To be better than we are,
And cherish everyone that we hold dear...PEANUT: When we share the joy that we believe in,
It fills us up like snowflakes in the air.
When we all embrace,
The world's a better place,
Just knowing that there's someone else who cares!WALTER + ALL: Merry Christmas,
From us to you!
Let the love come
Shining through!
And may all your dreams come true!
Merry Christmas
From us to you!WALTTER: (spoken) I think I hurt myself...ACHMED: If we let this fire burn inside us,
Make it out to always spread good cheer,
If we let it show,
No matter where we go,
We can make this last throughout the year!ACHMED + ALL: Merry Christmas,
From us to you!
Let the love come
Shining through!
And may all your dreams come true!
Merry Christmas
From us to you!BUBBA J: There's a feeling inside all of us,
Growing stronger every day...
Wanna let it out!
Wnna scream and shout!
When you've got the chance to say...BUBBA J + ALL: Merry Christmas,
From us to you!
Let the love come
Shining through!
And may all your dreams come true!
Merry Christmas
From us to you!ALL: Merry Christmas...
(WALTER: Merry Christmas...)ALL: Merry Christmas...
(WALTER: Merry Christmas...)
