

Ginger Me Slowly

Somi

Ginger me with pillow talk and pretty things
Oh, ginger me by candlelight and long walks by the lagoon
Ginger me with intellect and wine
Ginger me, boy, with kindness and cool
Yes o, ginger me slowly
Ginger me with poetry and roses in the
afternoon
Ginger me with trips to Monaco and to the Nile
Ginger me with power and humility
O, ginger me, boy
Ginger me with your love
Yes o, ginger me slowly
Take your time,
Hold me closer
Show me your heart
And I'll show you mine
Slow it down
Hold me longer
I'll be your girl
If we do it slowly
Ginger me with unexpected kisses and a dance
Ginger me with breakfast in bed for just us two
Ginger me with dreams of love and faithfulness
Ginger me, boy, with your heart
Yes o, ginger me slowly
Slow down (ginger, ginger)
Slow down (ginger, ginger)
