Katchafire

Hey girl where's yo drink

Hey girl I got puff we can all get fucked up tonight Let's go! Hey Keri (What's Happenin')
We drinkin tonight girl?
T-Pain, you drink tonight with me boy? (Put yo drinks

Hey girl I got puff we can all get fucked up tonight
And by the end of the night I'm a have you drunk and
throwin' it up
And by the end of the night I'm a have you so fucked
up
You said what u drinking let me buy u a couple of
rounds
And I said whatcha thinkin are u the type of girl to

But I could probably meet u and bring my girls aside
Tell the boys to bring ice and let em know...I'm on patron tequila I'm drunk off margaritas
That patron tequila me and my mamasitas

Now, now the party heated cuz' I gotta
