

A Different Way (feat. Lauv)

DJ Snake

Could you believe
I could be different
I'll be the difference
I'll lift you high I understand
Your hesitation
Our reputation
It's no surprise So let me redefine you
And you can see the tide move
Just like tears in the eyes too
Like when you're feeling [?]
Baby, I'll be right here
And we can sit in silence
So breathe easy right here
You can find sunshine in the I will come running when you call my name
Even the broken, I can be again
Forget about the one who caused you pain
I swear I'll love you in a different way
Hey, hey, hey
I swear I'll love you in a different way
Hey, hey, hey
I swear I'll love you in a different way
