

# See Me Through (remastered)

[Eric Lindell](#)

Darlin', wherever I go  
You know whatever I do  
And girl, wherever I go  
Know I'm thinkin' of youThat it's true, that I do  
Your love is gonna see me throughGirl, whenever I'm down  
You know whenever I'm blue  
Wherever I'm alone  
Girl, you carry me thoughOh, you do and that's true  
Your love is gonna see me through  
Your love is gonna see me throughDarlin', wherever I go  
You know whatever I do  
Wherever I go  
Know I'm thinkin' of youOh, you know it's true that I do  
Your love is gonna see me through  
Your love is gonna see me through  
Your love is gonna see me through
