

I Don't Wanna Take This Pain

Dannii Minogue

Got to get, got to get busy
(Get up)
(Get up)
I, I don't wanna beg
(I want you, I want you back)
I don't wanna beg
(I want you, I want you back)
I don't, I-I)
(I want you, I want you back)
I, I don't wanna beg
(I want you, I want you back)
I, I don't wanna beg
(I want you, I want you back)
I don't wanna beg
(I want you, I want you back)
I don't, I-I)
(I want you, I want you back)
I, I don't wanna beg
(I want you, I want you back)
I don't wanna take this pain anymore
I don't wanna take this pain anymore
Every night I used to dream of how it used to be
Spending time all alone with my fantasies
Searching for that special love that we shared
I never thought it would take so long
For time to come and heal my broken heart
(Heal my broken heart)
I want you back
I, I don't wanna take this pain anymore
I don't wanna take this pain
I don't wanna take this pain anymore
I don't wanna take this pain, baby
No more, no more, no more
I'm gonna give you all my love this time, this time
You're always claiming you didn't mean to break my heart
Through the mirror of love, I can see the scars
What do I have to do to get my message through to you?
I'm losing sleep, I can't eat, your love has got a hold on me
(There's no relief in sight)

No relief in sight
If lovin' you is wrong then
Wrong has got to be right
I want you back
I don't wanna take this pain anymore
I don't wanna take this pain
I don't wanna take this pain anymore
I'm gonna give you all my love this time

Hey, boy, you wanna go steady with me
You better treat this a little more seriously
True love, you don't know the meaning of
You broke my heart, I thought that we could never part
Now here you come with that sad old line again
I wonder if I should let you back in
I don't have time for games
I don't wanna take this pain
I don't wanna take this pain anymore
I don't wanna take this pain
I don't wanna take this pain anymore
Baby, come on
I don't wanna take this pain anymore
I don't wanna take this pain anymore
Baby, come on, let's make the time to have a conversation
I wanna tell you what's deep inside
My heart and my mind, I have no reservations
I'm gonna give you all my love this time
(I don't wanna take this pain anymore)
This time
I don't wanna take this pain, baby
I don't wanna take this pain, no more
(I don't wanna take this pain anymore)
I don't wanna take this pain
I don't wanna take this pain
No more, no more, no more, baby
(I don't wanna take this pain anymore)
I don't wanna take this pain
I don't wanna take this pain
No more, no more, no more, baby
(I don't wanna take this pain anymore)
I don't wanna take this pain
I don't wanna take this pain
No more, no more, no more, baby
(I don't wanna take this pain anymore)
I don't wanna take this pain

I don't wanna take this pain
No more, no more, no more, baby
(I don't wanna take this pain anymore)
I don't wanna take this pain
I don't wanna take this pain
No more, no more, no more, baby
(I don't wanna take this pain anymore)
I don't wanna take this pain
I don't wanna take this pain
(I don't wanna)
