Children of the Grave

Black Sabbath

Revolution in their minds - the children start to march
Against the world which they have to live in
Oh! The hate that's in their hearts
They're tired of being pushed around and told just what to do
They'll fight the world until they've won and love comes flowing throughChildren of tomorrow live in the tears

Will the sunrise of tomorrow bring in peace in any way?

Must the world live in the shadow of atomic fear?

Can they win the fight for peace or will they disappear?So you children of the world, listen to what I say

If you want a better place to live in, spread the words today

Show the world that love is still alive, you must be brave

Or you children of today are Children of the Grave, Yeah!

that fall today
