

# The Dance in Doubt and Fear

Eloy

Could satan fear surprise my fear  
so come here  
you are ? to me  
please  
trust in me my dear  
take your time come aside to bring light  
I lose my time I'll dissappear with daylight  
A tiny gate that ? in the wall  
what kind of voice whay kind of ?  
that pass into my hollow ? my heavy ?  
I have to leave this ?  
have to follow my inner course
