

Stuff That Works

[Guy Clark](#)

I got an ol blue shirt and it suits me just fine
I like the way it feels so I wear it all the time
I got an old guitar, wont ever stay in tune
I like the way it sounds in a dark and empty room
I got an ol pair of boots and they fit just right
Well I can work all day and I can dance all night
I got an ol used car and it runs just like a top
I get the feelin it aint ever gonna stop
Stuff that works, stuff that holds up
The kind of stuff you dont hang on the wall
Stuff thats real, stuff you feel
The kind of stuff you reach for when you fall
I got a pretty good friend whos seen me at my worst
He cant tell if Im a blessing or a curse
But he always shows up when chips are down
Thats the kind of stuff I like to be around
Stuff that works, stuff that holds up
The kind of stuff you dont hang on the wall
Stuff thats real, stuff you feel
The kind of stuff you reach for when you fall
I got a woman I love shes crazy, paints like God
Shes got a playground sense of justice, she wont take odds
I got a tattoo with her name right through my soul
I think everything she touches turns to gold
Stuff that works, stuff that holds up
The kind of stuff you dont hang on the wall
Stuff thats real, stuff you feel
The kind of stuff you reach for when you fall
Stuff that works, stuff that holds up
The kind of stuff you dont hang on the wall
Stuff thats real, stuff you feel
The kind of stuff you reach for when you fall
