

What's It Feel Like? (Is It Good?)

Montell Jordan

Let me know how it feels
When I'm inside of you
Every time I hear you say my name
Scream and moan
I know we're getting closer to The moment that we can't stop
'Cause it's getting too hot
All the freaky things you say to me
Show me you like it, tell me What's it feel like
When I'm sexin' you
Tell me baby
When I'm inside
Is it good to you Now when I'm touchin' you, tasting you
And doing all the things you like
I'll drop down and I'll kiss your thighs and satisfy
I'll take your body there tonite The moment that we can't stop
'Cause it's getting too hot
All the freaky things you say to me
Show me you like it What's it feel like
When I'm sexin' you
Tell me baby
When I'm inside
Is it good to you What's it feel like
When I'm sexin' you
Tell me baby
When I'm inside
Is it good to you Is it good, good to you
Let me know
Is it good, is it good Is it good, good to you
Let me know
Is it good, is it good What's it feel like
When I'm sexin' you
Tell me baby
When I'm inside
Is it good to you What's it feel like
When I'm sexin' you
Tell me baby
When I'm inside
Is it good to you What's it feel like
When I'm sexin' you

Tell me baby
When I'm inside
Is it good to you What's it feel like
When I'm sexin' you
Tell me baby
When I'm inside
Is it good to you What's it feel like
When I'm sexin' you
