Skin

Fismoll

[Verse 1]
Itâ€™s hard to find sticks
In the stony cave
There is no chance for fire
Hope is in the prayer

[Chorus]
Nothing is worse than the cold that fills us
Nothing is worse than the eyes inside us
Nothing is worse than the cold that fills us
Nothing is worse than the eyes inside us

[Verse 2]
And hope to talk (take) you through this
It can help you dear
Iâ€™ll give you my own skill
You could fall asleep peacefully

[Chorus]
Nothing is worse than the cold that fills us
Nothing is worse than the eyes inside us
Nothing is worse than the cold that fills us
Nothing is worse than the eyes inside us
