

Good Times

Albert Lee

Everybody shake
Everybody groove
Everybody shake Mary, Mary, you're on my mind
The folks are gone and the place'll be mine
Mary, Mary, wanna be with you And this is what I'm gonna do
I'm gonna put a call to you
'Cause I feel good tonight
And everything's gonna be right, right, right I'm gonna have a good time tonight
Rock and roll music gonna play all night
Come on, baby, it won't take long
Only take a minute just to sing my song
Boney Moroney's gonna be with him
I said, Long Tall Sally's gonna be with Slim
And Short Fat Fanny's gonna, she's gonna be there too And this is what I'm gonna do
Well, I've got to put a call to you
'Cause I feel good tonight
And everything's gonna be right, right, right I'm gonna have a good time tonight
Rock and roll music gonna play all night
Come on, baby, it won't take long
Only take a minute just to sing my song Boney Moroney's gonna be with Jimmy
Long Tall Sally's gonna be with him
And Short Fat Fanny's gonna be there too And this is what I'm gonna do
I've got to put the call to you
'Cause I feel good tonight
And everything's gonna be right, right, right
I'm gonna have a good time tonight
Rock and roll music gonna play all night
Come on, baby, it won't take long
Only take a minute just to sing my song
