

Mermaid of Salinas

Basement Jaxx

Give me your shimmy shimmy
Hooray! Hooray!
Tap tap, tap, tap
Ole! I'm in the hotbox Sweet mermaid of Salinas
We have just the sea between us
You've seen inside my mind
Your magic so sublime. Sweet mermaid
Sweet mermaid
Sweet mermaid I'm in the hotbox
I'm in the hotbox
In the hotbox, in the hotbox Sweet mermaid of Salinas
The world comes alive
As I dive into your eyes
Just you and me, just you and me
Just you and me I'm in the hotbox
I'm in the hotbox
I'm in the hotbox
