Symphony of Destruction

Hellsongs

You take a mortal man
And put him in control
Watch him become a god
Watch people's heads a'rollActing like a robot
It's metal brain corrodes
You try to take it's pulse
Before the head explodes
Explodes
Just like the Pied Piper
Led rats through the streets
We dance like marionettes
Swaying to the symphony
Of destructionThe earth starts to rumble
World powers fall
A'warring for the heavens
A peaceful man stands tall
he stands tall
Just like the Pied Piper
Led rats through the streets
We dance like marionettes
Swaying to the symphony
Of destruction
