

I've Got Stars

Robyn Dell'Unto

On my wedding day
Gonna run to the mountains
Drink a bottle of whiskey
And go to sleep in a cave

Iâ€™m sure he was very nice
I just couldnâ€™t be bothered
With forever and ever
You know it sounds so insane

You were looking so good in your Dockers and jeans
Drinking scotch on the rocks
Makes me wanna believe you
Come on next to me
I just wanna be on your side

Itâ€™s astronomical
Iâ€™ve got stars in my eyes for you
My eyes for you
An illusion of light
Iâ€™ve got stars in my eyes for you
My eyes for you, oh
Promise you do too

On our wedding day
You wonâ€™t care about flowers
Weâ€™ll get busy for hours
And have sangria for lunch

In the light of this bar you look exactly like James Dean
Maybe Iâ€™ve had a drink or three
Maybe Iâ€™ve had too much

One more sip and then I might sing Dock of the Bay
Or something by the Police
If they let me on stage
Anything to impress you
I just wanna be on your mind

Itâ€™s astronomical

Iâ€™ve got stars in my eyes for you
My eyes for you
An illusion of light
Iâ€™ve got stars in my eyes for you
My eyes for you
I donâ€™t wanna be wrong
Iâ€™ve got stars in my eyes for you
My eyes for you
Promise you do too
But itâ€™s never a real thing
It was only a good thing
Yeah it seemed like a good idea
Time is meant to be wasted
When youâ€™re young and itâ€™s 3 a.m
And youâ€™re happy again
Think Iâ€™m happy again

You were looking so good in your Converse and jeans
Drinking rye on the rocks
Makes me wanna believe you
Come on next to me
I just wanna be on your side

Itâ€™s astronomical
Iâ€™ve got stars in my eyes for you
My eyes for you
An illusion of light
Iâ€™ve got stars in my eyes for you
My eyes for you
I donâ€™t wanna be wrong
Iâ€™ve got stars in my eyes for you
My eyes for you
Promise you do too
Promise you do too
