

No Place to Hide

Korn

Ha, ha, ha

I see your faces and I do not understand why
Each time I dream you're standing there right by my side
Why do you make me? You take my pride and in my eyes You come and rape me, inside
I have no place to run and hide
I have no place to hide, which I like
Some who look at the time I looked back into my life
You want to touch me to see what's in my eyes
Why do you make me? Remember my hate, all this shame Don't you hate me sometimes?
I have no place to run and hide
I have no place to hide, which I like
I have no place to run, so don't make fun of me
I have no place to run Which I like, I like
