

# When I Grow Up

## Garbage

Advisory - the following lyrics contain explicit language:

Cut my tongue out, I've been caught out  
Like a giant juggernaut  
Happy hours, golden showers  
On a cruise to freak you out We could fly a helicopter  
Nothin' left to talk about  
Entertain you, celebrate you  
I'll be back to frame you When I grow up I'll be stable  
When I grow up I'll turn the tables Tryin' hard to fit among you  
Floatin' out to Wonderland  
Unprotected, God I'm pregnant  
Damn the consequences When I grow up I'll be stable  
When I grow up I'll turn the tables Blood and blisters on my fingers  
Chaos rules when we're apart  
Watch my temper, I go mental  
I'll try to be gentle When I grow up I'll be stable  
When I grow up I'll turn the tables  
When I grow up, when I grow up  
When I grow up I'll turn the tables Don't take offense, we'll make amends.  
Rip it up to shreds and let it go  
Don't take offense, we'll make amends.  
Rip it up to shreds and let it go Rip it up to shreds and let it go  
Rip it up to shreds and let it go  
Rip it up in shreds and let it go
