

The Heart Of Worship (Sonicflood)

Sonicflood

When the music fades and all is stripped away
And I simply come
Longing just to bring something that's of worth
That will bless Your heartI'll bring You more than a song
For a song in itself is not what You have required
You search much deeper within
Through the way things appear
You're looking into my heartI'm coming back to the heart of worship
It's all about You, it's about You Jesus
I'm sorry Lord for the thing I've made it
When it's all about You, all about You JesusKing of endless worth, no one could express
And how much You deserve
Though I'm weak and poor
All I have is Yours, every single breathI'll bring You more than a song
For a song in itself is not what You have required
You search much deeper within
Through the way things appear
You're looking into my heartI'm coming back to the heart of worship
It's all about You, all about You Jesus
I'm sorry Lord for the thing I've made it
When it's all about You, all about You Jesus
It's all about You Jesus
