

Weekend in New England

Barry Manilow

Last night I waved goodbye,
Now it seems years
I'm back in the city
Where nothing is clear
But thoughts of me holding you,
Bringing us nearAnd tell me, when will our eyes meet?
When can I touch you?
When will this strong yearning end?
And when will I hold you againTime in New England
Took me away
To long rocky beaches
And you by the bay
We started a story
Whose end must now waitAnd tell me, when will our eyes meet?
When can I touch you?
When will this strong yearning end?
And when will I hold you againI feel the change comin'
I feel the wind blow
I feel brave and daring
I feel my blood flow
With you I could bring out
All the love that I have
With you there's a heaven,
So earth ain't so badAnd tell me, when will our eyes meet?
When can I touch you?
When will this strong yearning end?
And when will I hold you
Again
Again
