

# My Name Is Ruin

Gary Numan

When they called me broken, I knew  
When they called me evil, I knew  
When they called me ruin, I knew  
I would always find my way to you  
When I begged forgiveness, they knew  
When I begged for mercy, they knew  
When I begged for nothing, they knew  
I would always find my way to you  
My name is ruin  
My name is vengeance  
My name is no one  
And no one is calling  
My name is ruin  
My name is heartbreak  
My name is lonely  
A sorry's a darkness [?]  
My name is ruin  
My name is evil  
My name's a war song  
I sing you a new one  
My name is ruin  
My name is broken  
My name is shameless  
I tear the world open  
When I called you poison, you knew  
When I called you shameful, you knew  
When I called you liar, you knew  
I would always find my way to you  
I show you ruin  
I show you vengeance  
I show you no one  
And no one is calling  
I show you ruin  
I show you heartbreak  
I show you lonely  
A sorry and darkness [?]  
I show you ruin  
I show you evil  
I sing you a war song  
I sing you a new one  
I show you ruin  
I show you broken  
I show you shameless  
I tear your world open
