

Ali R U OK?

M.I.A.

[M.I.A]

Hey, are you okay?

Tell them you're not ok

Tell them you're taking off work today...Hey, are you okay?

Ali, are you okay?

Tell them you're taking off work today

Hey, are you okay?

Ali, are you okay?

Tell them you're not gonna be working lateHey, it's been ages since we [?]

Don't ignore your doctor's orders

Now come here, show me how you're loving meHey, all work and no play

Hey, I think we need a holiday

Hey, all work and no play

Hey, tell them it's your birthdayHey, all your best days are given to your boss, wait

Tell them you're working on us todayDo you wanna be running after money

Or be home hanging with your honey?(Now come here, show me how you're loving me...)
