

Discord (The Living Tombstone's Remix)

Eurobeat Brony

I'm not a fan of puppeteers,
but I've a nagging fear
someone else is pulling at the strings
Something terrible is going down
through the entire town!
wreaking anarchy and all that it brings[Chorus]
I can't sit idly,
no I can't move at all!
I curse the name
the one behind it all
Discord, I'm howling at the moon,
And sleeping in the middle
of a summer afternoon
Discord, whatever did we do
to make you take our world away?
Discord, are we your prey alone?
Or are we just a stepping stone
for taking back the throne?
Discord, we won't take it any more,
so take your tyranny away!
(Disco-o-oo-o-oo-ooo-oo-rd) x3
I'm fine with changing status quo
but not in letting go
now the world is being torn apart
A terrible catastrophe
played by a symphony
what a terrifying work of art[Chorus]
I can't sit idly
no, I can't move at all
I curse the name
the one behind it all
Discord, I'm howling at the moon,
And sleeping in the middle
of a summer afternoon
Discord, whatever did we do
to make you take our world away?
Discord, are we your prey alone
Or are we just a stepping stone
for taking back the throne?
Discord, we won't take it any more,
so take your tyranny away!
(Disco-o-oo-o-oo-ooo-oo-rd)x8
Discord, I'm howling at the moon,
And sleeping in the middle
of a summer afternoon
Discord, whatever did we do
to make you take our world away?
Discord, are we your prey alone
or are we just a stepping stone
for taking back the throne
Discord, we won't take it any more,
so take your tyranny away!
