Before I Let You Go

Blackstreet

Before I let you go, before I let you go
Can I get a kiss, goodnight, baby
Before I let you go, before I let you go
Can I get a kiss, goodnight, babyBefore I let you go, before I let you go
Can I get a kiss, goodnight, baby
Before I let you go, before I let you go
Can I get a kiss, goodnight, babyLately, I've been thinking somethings goin' wrong
'Cause you got an attitude
And you're not in the mood like you used to
Girl I can feel it when I hold you in my arms
The feeling is not the same can I be the one to blameI don't wanna lose your love
I don't wanna say bye-bye, oh no no
True love is so hard to find
And it's right between your lips
And mine and mineBefore I let go
Before I let you go away
Can I get a kiss, goodnight
Before I let you go
Can I get a kiss, goodnightListen baby
Turn the lights down low
Let's take it nice n slow
My mission is to keep you mine
Don't want this to be the last timeWe make sweet love baby
I know you feel it too
It's bigger than the both of us
There's one thing I'm so certain ofI don't wanna loose your love
Don't wanna loose ya
I don't wanna say bye bye
Don't wanna loose ya
It's always the little things
I remember and I can't just let it slip away
Slip awayBefore
Before I let you go away
Can I get a kiss, goodnight
Before I let you go away
Can I get a kiss, goodnightTeddy, won't you play the music for me
Teddy, won't you play Backstreet say?
Don't wanna loose ya
Baby I get so lonely sometimes, I

Don't wanna loose yaBaby my heart is broken sometimes
I need you right now, I don't
Don't wanna loose ya
I can't let you slip away, slip awayBefore I let go
Before I let you go away
Can I get a kiss goodnight
Before I let you go away
Can I get a kiss goodnightBefore I let you go, before I let you go
Can I get a kiss, goodnight, baby
Before I let you go, before I let you go
Can I get a kiss, goodnight, babyBefore I let you go, before I let you go
Can I get a kiss, goodnight, baby
Before I let you go, before I let you go
Can I get a kiss, goodnight, babyI don't want lose your sweet love
So don't say goodbye, say goodnight
