All for Love

Stevie Brock

You no girl, my heart goes out to you
Hear me out now, 'cause it's all for loveI'm so glad you're my girl
I'll do anything for you
Call you every night
And give you flowers, too
I thank the Lord for you
And think about you all the time
I ask Him everyday
That you'll forever be mineI want to hold your hand
To show you I'll be there
I like to do the things
That let to know I care
I sing this lullaby
Cause girl you fill me full
I look into your eyes
You're so beautifulOh girl I think I love ya
I'm always thinkin' of ya
I want you to know I'd do it all for love
I love it when we're together
Girl I need you forever
And want you to know I do it all for loveI will never leave you, Sugar
This I guarantee
I look into the future
I see you and me
Knight in shining armor
I will be your fairy tale
I want to take care of you
Girl, I'll serve you well.I will be there for you
To catch you when you fall
I'll hold you in my arms
That's where you belong
I sing this lullaby
Cause girl you fill me full
I look into your eyes
You're so beautiful, beautiful, yeah!Oh girl I think I love ya
I'm always thinkin' of ya
I want you to know I'd do it all for love
I love it when we're together
Girl I need you forever

And want you to know I do it all for loveYo, come here, sweetheart
I want you to know something all right
See everyday in my life without you
Would be like a hundred years
The distance between us
An ocean of tears
See all the things I do for you
Are for love, dig itAll for lovin' (all for love)
All for you (you, you, you)
All for lovin' you (you)Oh girl I think I love ya
I'm always thinkin' of ya
I want you to know I'd do it all for love
I love it when we're together
Girl I need you forever
And want you to know I do it all for love
