

# All for Love

Stevie Brock

You no girl, my heart goes out to you  
Hear me out now, 'cause it's all for love I'm so glad you're my girl  
I'll do anything for you  
Call you every night  
And give you flowers, too  
I thank the Lord for you  
And think about you all the time  
I ask Him everyday  
That you'll forever be mine I want to hold your hand  
To show you I'll be there  
I like to do the things  
That let to know I care  
I sing this lullaby  
Cause girl you fill me full  
I look into your eyes  
You're so beautiful Oh girl I think I love ya  
I'm always thinkin' of ya  
I want you to know I'd do it all for love  
I love it when we're together  
Girl I need you forever  
And want you to know I do it all for love I will never leave you, Sugar  
This I guarantee  
I look into the future  
I see you and me  
Knight in shining armor  
I will be your fairy tale  
I want to take care of you  
Girl, I'll serve you well. I will be there for you  
To catch you when you fall  
I'll hold you in my arms  
That's where you belong  
I sing this lullaby  
Cause girl you fill me full  
I look into your eyes  
You're so beautiful, beautiful, yeah! Oh girl I think I love ya  
I'm always thinkin' of ya  
I want you to know I'd do it all for love  
I love it when we're together  
Girl I need you forever

And want you to know I do it all for loveYo, come here, sweetheart

I want you to know something all right

See everyday in my life without you

Would be like a hundred years

The distance between us

An ocean of tears

See all the things I do for you

Are for love, dig itAll for lovin' (all for love)

All for you (you, you, you)

All for lovin' you (you)Oh girl I think I love ya

I'm always thinkin' of ya

I want you to know I'd do it all for love

I love it when we're together

Girl I need you forever

And want you to know I do it all for love
