

The Late, Late Show

[Sutton Foster](#)

Gee it's cosy in the park tonight
When you cuddle up and hold me tight
Stars above they seem to know
We're puttin' on the late, late show Hear the crazy music in the trees
See the flowers dancin' in the breeze
Old man moon begins to glow
He's joinin' in the late, late show Birds that should be dreamin'
Start in chirpin' a song
While fireflies are gleamin'
We kiss, kiss all night long Then we amble back to my front door
Say goodnight and then we kiss some more
Guess you know I like you so
It started at the late, late show We're puttin' on the late, late show
Birds that should be dreamin'
Start in chirpin' a song
While fireflies are gleamin'
We kiss, kiss all night long Then we amble back to my front door
Say goodnight and then we kiss some more
Guess you know I like you so
It started at the late, late, late, late, late, late
At the late, late show
