

Mary Anne

Marshall Crenshaw

It isn't such a crime
It isn't such a shame
It happens all the time
You shouldn't take the blame Go on and have a laugh
Go have a laugh on me
Go on and have a laugh
At all your misery Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
I'm thinking of you Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne, Mary Anne You take a look around
And all you seem to see
Is bringing you down
As down as you can be Go on and have a laugh
Go have a laugh on me
Go on and have a laugh
At how bad it can be Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
I'm thinking of you Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne, Mary Anne Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
I'm thinking of you Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne, Mary Anne You take a look around
And all you seem to see
Is bringing you down
As down as you can be Go on and have a laugh
Go have a laugh on me
Go on and have a laugh
At all your misery Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
I'm thinking of you Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
Mary Anne, Mary Anne
