Phantom Anthills

Chad VanGaalen

This tiny body is see-through.
I caught it swimming inside of you.
It might be trying to (hollar at) you.
It's barely there and it's lighter than air.ohhhhh...
but no one knows.
ohhhh-ohhhhhh.
but no one knows.
ohhhhhh...Goes to sleep right beside you.
You were there as it swims through your hair.
Could it be dreaming about you?
Could it be dreaming about you-u?ohhhhh...
but no one knows.
wohhhh-ohhhhhh.
but no one knows
