

# One More Go

## Spunge

Can't be much longer  
Can't be much longer  
Won't somebody tell me,  
I'm not going under  
I'm not going under  
Won't somebody save me There ain't nobody gonna tell me  
Nobody's gonna say they told me so  
If there's a weight up on my shoulder  
I just let go You ever slipped up  
Been tripped up  
Now you're staring at the paper with your lip cut  
And you're thinking  
That it's useless  
Thinking maybe this life don't suit us Nobody's gonna tell you different  
Nobody's got a special to show  
So if you wanna last the distance  
Have One More Go! [Chorus]  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go Don't you self harm  
Pick yourself up  
If you're thinking 'bout moaning just belt up  
Think your life needs  
Liposuction  
At the very least on attitude reduction Maybe it's time to make a difference  
Maybe it's time to say I told you so  
If you are gonna last the distance  
Have One More Go! [Chorus]  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go Don't just say no  
Say I think so  
Don't just say no

Come on let go! [Chorus]

Wo-o-o-o-o-ah,

Wo-o-o-o-o-ah,

Wo-o-o-ah One More Go

Wo-o-o-o-o-ah,

Wo-o-o-o-o-ah,

Wo-o-o-ah One More Go
