Rustin Man

Beth Gibbons & Rustin Man

Oh, Rustin Man
I can't deny this is you again
Little I know but how the hold is holding youLet's all decide the shame
Many more were left to stay
Many decided love was a gameHow many more days can we take
In the hope of seeing you?Oh, Rustin Man
I can't deny this is you again
Little, little, little
Little I know but how the hold is holding youLet's all get out of frame
Oh, Rustin Man
I can't deny this is you againAgain
Again
Again
