

# Rustin Man

## Beth Gibbons & Rustin Man

Oh, Rustin Man  
I can't deny this is you again  
Little I know but how the hold is holding youLet's all decide the shame  
Many more were left to stay  
Many decided love was a gameHow many more days can we take  
In the hope of seeing you?Oh, Rustin Man  
I can't deny this is you again  
Little, little, little  
Little I know but how the hold is holding youLet's all get out of frame  
Oh, Rustin Man  
I can't deny this is you againAgain  
Again  
Again  
....
