

Can't Stand In the Way of Love

Jennifer Love Hewitt

It stops... never Meant to be
You and me
Unconscious love
Love is a attraction
It's so hot
What we've got
Like a chemical reaction So how can it be so suddenly
You treat me like a stranger
Remember, remember when
You told me i
I made you feel so alive You can't stand in the way of love
You can't stand in the way of love
Like a river to the ocean
Can't stop this emotion
You can't stand in the way of love How can you be so cold
Put my heart on hold
Gotta see you tonight
Gonna show you what I feel for you
Gonna do anything you want me to You can't stand in the way of love
You can't stand in the way of love
Like a river to the ocean
Can't stop this emotion
You can't stand in the way
Can't stand in the way of love
You can't stand in the way of love
No, no, no
You can't stand in the way of love You can tell yourself
"this time it's over"
Build a wall
Close the door
You can tell yourself
Tell yourself
That you don't need me anymore
No, no, no, no If there's a door
I'll break it down
Break it down
Build a wall
I'll climb around You can't stand in the way of love
You can't stand in the way of love

Like a river to the ocean
Can't stop this emotion You can't stand in the way
You can't stand in the way
It's driving me crazy
You can't stand in the way
You can't stand in the way
That's you won't be my baby
Once you've tasted the potion
It puts you in motion You can't stand in the way
Stand in the way
It's driving me crazy
You can't stand in the way
Like a river to the ocean
Can't stop this emotion
