Bleeding from Inside Out

Stryper

You've lived a hard life a self made prisoner.
you've built your house upon the sand.
it sharpens the dull knife.
that cuts and makes you endure
the scars that label you a- broken Man
chorus: you're Bleeding from inside out
wounded beyond your own recognition.
you're bandaged in fear and doubt
brought to your knees by a life and death collision.
you see what you want to see
a child in make believe
you rule the land where you are king
there's rain that washes clean
the Soll that stains your legacy
there is redemption- it's your destiny!
(Repeat Chorus)
