

I Can't Let You Go

Usher

[Jadakiss]

Yo I'm sick of this man
I can't even take no more
'Cause I hate the fact that I love you so much
And you know what I'm saying
You don't even understand what this is doin' to me
Everytime I try to get away
I just can't let you go
You know what I'm saying I just can't let you go[Verse One]
I never ever want to hurt you
I just want to love ya
I just want to sex you up
I want to give you everything you need-thing you want
Just lay down and let me love ya all night long[Jadakiss]
It was beautiful when we first started

[Usher]

I don't want to leave you
I just want to keep you
When they saw me they saw you
Damn the world-its just me and my girl
that's how I felt
Everytime I thought it was right-it went left[Chorus]
We used to laugh and party
But now all we do is argue

[Jadakiss]

What happened to all the good times

[Usher]

I tell myself that I don't want you no more
But I can't let you go

[Jadakiss]

You see I can't let you go

[Usher]

So much love and hurt and hate
People screamin' it won't work

[Jadakiss]

I'm sick of this shit man

[Usher]

Time and time I say I'm gonna leave
But I can't let you go

[Jadakiss]
See what I'm sayin'
[Usher]
But I can't let you go[Break-Jadakiss]
Now you want to be real insensitive and try to act kinda funny
You know what man you ain't even gotta wait til' the morning man
You can get out of here tonight
Hey yo Glen come grab her shit and get her outta here[Usher]
You ain't even gotta like me
But you're not gonna fight me
You can't walk away and say
I never gave you everything want-thing ya needAll we do is argue all night long
I don't want to leave ya
See ya with another brother lovin' ya
Sayin' the damn the world It's me and my girl
Its how I feel when you think everything is real
But it really ain't[Chorus: x 2][JD-Rap]
Got me-walkin' around read to snap
Got me-walkin' around lookin' for somebody to slap
Got me-Goin' wit no pause
Got me up in the cardiac everyday just 'cause
Got me arguing about lil'stuffIt get a little rough we kiss and make up
She want to sat what she want to
I don't play that
She want to constantly bring up shit from way backGot me thinkin' 'bout her while I'm watchin' a flick
Got me dippin' through traffic tryin' to get homw quick
Got me talkin' to myself I'm hatin' this
Got me wantin' to wild out like I'm JadakissGot me in a place I never thought I would see
Got me not wantin' to stay not wantin' to leave
Got me happy got me confused
Got me wishin' I could get it how I used to[Chorus: x 2]
