

# Above the clouds

## Musk Ox

"It has come to our attention that a mysterious force is LOOSE..  
somewhere in outer space."

"The mysteries of creation are there."

"Up in the sky?"  
"Up in the sky."

"The moon and the planets are there.  
And new hopes for knowledge and peace are there.  
And therefore as we set sail; we ask God's blessing --  
on the most hazardous, and dangerous, and greatest adventure  
of which man has ever embarked."

"Prepared for liftoff."

I self Lord and Master shall bring disaster to evil factors  
Demonic chapters, shall be captured by Kings  
Through the storms of days after  
Unto the Earth from the Sun through triple darkness to blast ya  
with a force that can't be compared  
to any firepower, for it's mindpower shared  
The brainwake, causes vessels to circulate  
like constellations reflect at night off the lake  
Word to the father, and Mother Earth  
Seeking everlasting life through this Hell for what it's worth  
Look listen and observe  
and watch another C-Cypher pullin my peeps to the curb  
Heed the words; it's like ghetto style proverbs  
The righteous pay a sacrifice to get what they deserve  
Cannot afford to be confined to a cell  
Brainwaves swell, turnin a desert to a well  
Experience the best teacher; thoughts will spray  
like street sweepers Little Daddy street preacher  
Illustrious feature, narrator you select  
Accompanied by Deck plus the DJ you respect  
The seven and a half combine, over the frontline  
The ten percenters, promotin slander in the airtime  
Bear in mind jewels be the tools of the trade

Sharp veins heavenly praise and dues are paid

Above the crowds, above the clouds where the sounds are original

Infinite skills create miracles

Warrior spiritual -- above the clouds

reigning/raining down, holdin it down

Yeah; I leave scientists mentally scarred -- triple extra large

Wild like rock stars who smash guitars

Poison bars from the Gods bust holes in your mirage

and catch a charge shake em down like the riot squad

And they deserve ruin like ancient Rome; I span the universe

and return to Earth to claim my throne

The maker, owner, plus soul controller

Ayatollah rest in the sky, the cloud's my sofa

Stand like Collossus, regardless to whom or what

Numerous attempts at my life, so who to trust

Who but us, to supply you with the fire?

The burning truth, 150 Absolut proof

On the mic like Moses spoke in golden scribe

Survivor of the oldest tribe whose soldiers died

I notified families, we shed tears and more

but our hands are the ammo cause the battle's still on

Sound the horn; we come rumblin through the function

Precise laser beam technique to touch somethin

When we die hard, to build the monument to honor us with  
humungous effect in the world we could have conquered it

Above the crowds, above the clouds where the sounds are original

Infinite skills create miracles

Warrior spiritual -- above the clouds

reigning/raining down, holdin it down

Above the crowds, above the clouds where the sounds are original

Infinite skills create miracles

Warrior spiritual -- above the clouds

reigning/raining down, holdin it down
