

# **Yahweh**

## **Elevation Worship**

    Spirit of Jesus  
    Living within us  
    Never to fail or forsake  
    Unending promise  
    Heaven inside us  
    Whispers the sound of Your name

    Holy  
    Holy is the Lord  
    Worthy to be praised  
    YAHWEH  
    Fire rising in my soul  
    All consuming flame  
    YAHWEH

    Filled with Your wonder  
    Here I surrender  
    Held in Your mystery of grace  
    Calling me closer  
    Waking desire  
    Coming alive in Your name

    Holy  
    Holy is the Lord  
    Worthy to be praised  
    YAHWEH  
    Fire rising in my soul  
    All consuming flame  
    YAHWEH

    He who was and is to come  
    Is the One who lives in us  
    The great I am  
    YAHWEH

    Holy  
    Holy is the Lord  
    Worthy to be praised  
    YAHWEH  
    Fire rising in my soul

All consuming flame  
YAHWEH
