

Secret Separation

The Fixx

We are passengers in time
Lost in motion, locked together
Day and night by trick of light
I must take another journey
We must meet with other names
Ooh, we must meet with other names
You touched my heart so deeply
You rescued me, now free me
Don't watch me cry, just see me go
I'll take away the strongest feelings you will ever know
There will be no more isolation
In our secret separation
You touched my heart so deeply
You rescued me, now free me
Passengers in time
Lost in motion, locked together
Day and night, by trick of light
I must take another journey
We must meet with other names
If you hold me you will hurt me, be brave

There will be no more isolation
In our secret separation
You touched my heart so deeply
You rescued me, now free me
We are matching spark and flame
Caught in endless repetition
Life for life, we'll be the same
I must leave before you burn me
I am the stranger who deserts you
Only to love you in another life
There will be no more isolation
In our secret separation
You touched my heart so deeply
You rescued me, now free me
I'll bear one precious scar that only you will know
Passengers in time, free me
