Bad Penny

Jon Allen

"Bad Penny" -- Big Black
Form the album, "Songs About Fucking"
OUght to know what I liar I am
Ought to know me by now
Don't curse me for my nature
Don't blast me for my wrongs
Just a bad penny
I always come back to you
Just a bad pennyJust a bad penny
I always come back to you
Should have known you couldn't trust me
As far as you could throw me
You couldn't throw me to far
Just a bad penny
Couldn't throw me to farI think I fucked your girlfriend once.
Maybe twice, I don't remember
Then I fucked all your friend's girlfriends
Now they hate youJust a bad penny
Just a bad penny
Such a bad penny
A bad bad pennyOUght to know what I liar I am
Ought to know me by now
Such a bad penny
A bad bad penny
OUght to know what I liar I am
Ought to know me by now
Ought to know you couldn't trust me
As far as you could throw me
Such a bad penny
Such a bad penny
Slap my hand
