

The Enemy Inside

Dream Theater

Over and over again
I relive the moment
I'm bearing the burden within
Open wounds hidden under my skin
Pain is real as a cut that bleeds
The face I see every time I try to sleep
Staring at me crying [Chorus]
I'm running from the enemy inside
Looking for the life I left behind
These suffocating memories are etched upon my mind
And I can't escape from the enemy inside
I sever myself from the world
And shut down completely
All alone in my own living hell
Overcome with irrational fear
Under the weight of the world on my chest
I buckle and break as I try to catch my breath
Tell me I'm not dying [Chorus]
I'm running from the enemy inside
Looking for the life I left behind
These suffocating memories are etched upon my mind
And I can't escape from the enemy inside
I'm a burden and a travesty
I'm a prisoner of regret
Between the flashbacks and the violent dreams
I am hanging on the edge
Disaster lurks around the bend
Paradise came to an end
And no magic pill
Can bring it back again [Chorus]
I'm running from the enemy inside
Looking for the life I left behind
These suffocating memories are etched upon my mind
And I can't escape from the enemy inside
