Mined Expanders (Horror Stories)

Dwarves

I know you think you're taking mind expanders
The price you pay is that it don't cost nothing
You get the truth
You get an advertisement
You get the truth, so
You get a lie behind it
I know you think you're taking mind expanders
I know I'm evil, the kind you got to slander

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
