

Get Up

Planetshakers

Verse 1: With every breath that I take

I'll praise you

With Every move that I make

With Everything that I am

I'll praise you

There Is no other way Pre-Chorus: We stand together

With Hearts join as one

And we give you glory

For all you have done Chorus: Everybody Get up

If you love Him

Everybody Get up

Get up and praise Him

Everybody Get up

If you're free and give him the Praise Bridge: You, You Everything is all for You

You we're living each day for You

You Everything is all for you, you
