

Hey Now

Talking Heads

I wanna bicycle
I wanna popsicle
I wanna space face
Buy me a cherry face nowHey now, hey now
Hey now, now
Hey now, hey now
Hey now, nowI wanna video
I wanna rock and roll
Take me to the shopping mall
Buy me a, a rubber ball nowHey now, hey now
Hey now, now
Hey now, hey now
Hey now, nowOoh
Would the light come and hit you in the eyes?
Hey
Gonna stop, gonna get you by surpriseEvery night when the sun goes down
People are staying at home
You can tell your momma and daddy
Leave those children aloneThey know what they're doin'
They ain't runnin' away
Uncle John said, "Tell Aunt Mary
I got nothing to say"Hey now, hey now
Hey now, now
Hey now, hey now
Hey now, nowI am the king of the world
The boss of the boys and girls
You can live till a 100 and 10
If you listen to what I saidHey now, hey now
Hey now, now
Hey now, hey now
Hey now, nowHey now, hey now
Hey now, now
Hey now, hey now
Hey now, now
