

Wonderful World

James Morrison

I've been down so low people look at me and they know
They can tell something is wrong, like I don't belong
Well, staring through a window
Standing outside there just too happy to care
Tonight I wanna be like them but I'll mess it up again
I tripped on my way in, got kicked outside everybody saw And I know that it's a wonderful world but I can't feel
it right now
Well, I thought that I was doing well but I just want to cry now
Well, I know that it's a wonderful world from the sky down to the sea
But I can only see it when you're here, here with me Sometimes I feel so full of love, it just comes spilling out
It's uncomfortable to see I give it away so easily
But if I had someone I would do anything
And never, never, never let you feel alone
I won't, I won't leave you on your own
But who am I to dream? Dreams are for fools, they'll let you down When I know that it's a wonderful world but
I can't feel it right now
But I thought that I was doing well but I just want to cry now
Well, I know that it's a wonderful world from the sky down to the sea
But I can only see it when you're here, here with me And I wish that I could make it better
I'd give anything for you to call me
Maybe just a little letter, oh, it could start again, oh Well, I know that it's a wonderful world but I can't feel it
right now
Well, I thought that I was doing well but I just want to cry now
Well, I know that it's a wonderful world from the sky down to the sea
But I can only see when you're here, here with me, oh And I know that it's a wonderful world, I can't feel it
right now
I've got all the right clothes to wear, I just wanna cry now, cry now
Well, I know that it's a wonderful world from the sky down to the sea
But I can only see when you're here, here with me
And I know that it's a wonderful world when you're with me
