Jesus to the World

This Beautiful Republic

VS1
Sometimes itâ€™s hard to see You, But I see Your people
Sometimes itâ€™s hard to hear You, But I heard Your preachers
My proof is in the way, the way that they shine
Thatâ€™s how I know that

Chorus
The sun is coming down
I get the feeling that Iâ€™m not home yet
Yeah itâ€™s Your people
Theyâ€™re Jesus to the world

VS2
When it was hard to see You, They gave me another chance like you
When it was hard to hear You, I could hear them speak Your words
My proof is in the way, the way that they shine
Thatâ€™s how I know that

Bridge
Itâ€™s always the way, the way I know
