I'm Yours

Soraya

Once I found a love, I thought was real
Twice I thought I'd knew how it would feel
Thrice I locked my heart in walls of steel
Now with you it's time to break the sealIt's in the way you look at me
It's in the way you smile at me
In the way you say my nameI, I fall apart each time
Each time you say you're mine
I'm yours, I'm yoursThe first time, I had to run away
The second I knew, I could not stay
The third time felt like any other day
Now with you there's no time for delayI, I fall apart each time
Each time you say you're mine
I'm yours, I'm yoursIt's in the way you look at me
It's in the way you smile at me
In the way you say my nameI, I fall apart each time
Each time you say you're mine
I'm yours, I'm yours
