Nasty bitch, nasty bitch (x12)
Nasty nasty nas-nasty (bitch) (x4)[CHORUS:]
Lick my butterfly spread my wings
Eat my bluebird make it sing
Slip my tuna, nature calls
Fingerfuck Niagara FallsHello, boys and girls
Welcome to my world
This shit is about to get nasty
So if you're feeling sassy
Take your shirt off, shake your tits
Celebrate your dirty bits
Do pushups hump the floor
Let's embrace our inner whoreNasty, nasty, nas-nasty (bitch) (x4)
Nasty bitch, nasty bitch (x8)
Nasty, nasty, nas-nasty (oh)
Nasty, nasty, nas-nasty (fuck yeah)
Nasty, nasty, nas-nasty (oh)

In your face, sting like mace
Spray my shit all over the placePut your pointer in my pink
