Rihanna

Please don't stop the music (Music-Music-Music)

Please don't stop the music (Music-Music-Music)

Please don't stop the music (Music-Music-Music)

Please don't stop the music (Music-Music-Music)It's getting late, I'm making my way over to my favorite place

I gotta get my body moving shake the stress away

I wasn't looking for nobody when you looked my way

Possible candidate, YeahWho knew, that you'd be up in here looking like you do?

You're making staying over here impossible

Baby I must say your aura is incredible

If you don't have to go, don'tDo you know what you started? I just came here to party

But now we're rocking on the dance floor, acting naughty

Your hands around my waist, just let the music play

We're hand in hand, chest to chest and now we're face to faceI wanna take you away

Let's escape into the music D.J let it play

I just can't refuse it, like the way you do this

Keep on rocking to it, please don't stop the

Please don't stop the musicI wanna take you away

Let's escape into the music D.J let it play

I just can't refuse it, like the way you do this

Don't you feel the passion ready to explode?

What goes on between us no one has to know
