

Everyone But Me

Miggs

If I could get some sleep
One good night I think
It'll be all right
Guess I'm not all right I don't know just what I need
I don't know if I'll swim or sink Been throwing up my hands, stomping my feet
But you don't see me, you don't see me, do you?
Has anything I've said made it through
Cause you don't hear me, you don't hear me, do you? Everyone knows that you're going to leave
Everyone knows but me If I knew what to feel
If I knew what was real
Maybe I'm all wrong
And you've known all along So tell me what I should think
It must be fun to watch me sink I'm throwing up my hands, stomping my feet
But you don't see me, you don't see me, do you?
Has anything I've said made it through
Cause you don't hear me, you don't hear me, do you? I've begged and I've pleaded, I've got the bruises on my
knees
I'm begging, I'm pleading Throwing up my hands, I'm dead on my feet
But you won't see me, you won't see me, oh no
When everything I said fell on deaf ears
Cause you won't listen, you won't listen, no no Everyone knows there's a time to leave
Everyone, even me
